

S.T.E.P.

Into a New Career:

Are you thinking about a new career?

Do you need to update your skills?

Are you a returning veteran?

If you cannot spend 4 years working on a degree, plan to attend our Career Education Information Fair. This Fair will feature 70+ schools that offer hundreds of **Short Term Education Programs (STEP)** that you can finish in weeks, not years. You will be able to research new careers, gather information about these educational programs as well as explore grants and other financing options; all in one location!

Career Education Information Fair
Thursday, November 9th, 10AM-2PM
at the Best Western in Marlboro

Go to www.etrcc.com for more information and to register for our event.
